

## **Comm Kids Preschool Parent Reviews**

*“Comm Kids Preschool is the BEST! The teachers are all wonderful. My kids love going to school due to the involvement with the teachers and all the activities they have! By far the BEST!”*

*“We are so happy with our decision to send our son to Comm Kid Pre School. He is learning how to be kind, follow directions, and play collaboratively which is the most important part of being a kid! He also amazes us when he comes home with facts and lessons like rubbing sticks together makes fire, how birds are still dinosaurs, and p sounds like pa for pop up and play! I'm happy with his education, but I'm thrilled that he's learning how to be a social, confident, and kind person.”*

*“Outstanding staff and a fabulous facility! I love that they use their outdoor space when they're able to.”*

*“Comm Kids offers unmatched flexibility for working parents. The building allows for a more rounded education including dance lessons, gym games, music instruction, and a beautiful big playground.”*
