My son is my third Comm Kid! We are so thankful and grateful for all the wonderful teachers and programs at the Comm.

"We are so happy that we chose Comm Kids for our son. After his very first day at Comm Kids, he got into the car and said, "I love it!" He has continued to love it everyday since. He was an early reader, and the teachers were intentional about giving him opportunities to read and to do storytelling. The program exposes kids to so many hands-on activities, encourages creativity, and encourages learning through play. The kids get regular outdoor time and they learn through experiences (nature walks, etc.). Comm Kids has a wonderful community vibe, and it makes us proud to be a part of the community!"

The Comm is an amazing and caring Preschool and Pre-K program. The staff foster a positive learning environment. We've experienced a few centers in our early childhood education journey...not only are we happiest with the Comm, but so is our little one, which is a win-win!

I highly recommend Comm Kids Preschool Program. The teachers are so creative and nice. They really take the time to help each child thrive. My daughter is going into kindergarten excited and enthusiastic for learning thanks to her time there. The special events like the art show and holiday concert were really special.
