Welcome to Comm Kids!

Our Philosophy: The Comm has a long standing commitment to Early Childhood Education that dates all the way back to our first kindergarten class in 1921. Our children's programs reflect Paul Belin's idea of "education through recreation," something we believe wholeheartedly. We focus on the growth and well-being of the whole child, both intellectually, and socially and emotionally. Children learn in a multitude of ways, and we make it our mission to incorporate as many of those ways into our curriculum as possible.

Admission Policy: Classes are limited in size. A waiting list will be kept in the order applications are received, and will open in late September for the following school year. Acceptance to the program will be offered in late February. Admissions and the provision of services shall be made without regard to race, color, religious creed, disability, ancestry, national origin (including limited English proficiency) or sex.

Weather Cancellation and Holiday Closure Policy: All Comm Kids Programs follow the Abington Heights School District in regards to snow closures/delays, and closed holidays/teacher in-service days. We do not offer childcare for snow days.

Health and Safety: Please keep your child home if they are not feeling well. Additionally, please report any contagious diseases in your household, as well as any medications your child is currently taking. Children MUST be accompanied to and from the classroom by an adult. If your child will be picked up by someone other than yourself, please inform the director.

Payment: Tuition can be paid via check, credit card, or Venmo and is due by Friday in advance of the following week.

Cards will be charged in advance of the first of the month. **Payment will be required regardless of if Comm Kids has a scheduled closure or not.**
