committed to offering educational, recreational and cultural
opportunities to individuals and families in the region.**

Welcome to Comm Kids Preschool!

Our Philosophy: The Comm has a long standing commitment to Early Childhood Education that dates all the way back to our first kindergarten class in 1921. Our children's programs reflect Paul Belin's idea of "education through recreation," something we believe wholeheartedly. We focus on the growth and well-being of the whole child, both intellectually, and socially and emotionally. Children learn in a multitude of ways, and we make it our mission to incorporate as many of those ways into our curriculum as possible.

Admission Policy: Children must have reached their 3rd or 4th birthday and be completely toilet trained by September 1st. Classes are limited in size. A waiting list will be kept in the order applications are received, and will open in late September for the following school year. Acceptance to the program will be offered in late February. Comm Kids Preschool is open to all children regardless of creed, race, or sex.

Weather Cancellation and Holiday Closure Policy: All Comm Kids Programs follow the Abington Heights School District in regards to snow closures/delays, and closed holidays/teacher in-service days. We do not offer childcare for snow days.

Health and Safety: Please keep your child home if they are not feeling well. Additionally, please report any contagious diseases in your household, as well as any medications your child is currently taking. Children MUST be accompanied to and from the classroom by an adult. If your child will be picked up by someone other than yourself, please inform your child's teachers at drop off or via ClassDojo

Payment: Tuition is due monthly on the first of each month, and can be paid via check, credit card, or Venmo. Cards will be charged in advance of the first of the month.

Our Program

Guided Free Play: During this activity, children work on their social and emotional skills, specifically how to share and work together with others, problem solve, and communicate effectively.

Planned Lessons: Comm Kids Preschool utilizes the Creative Curriculum. Emphasis is placed on learning colors and shapes,, counting and number recognition, name and letter recognition, and phonemic awareness skills. Experiments and observations in science and the natural world are included. Special attention is given to the development of reasoning, organization, and fine and gross motor skills. Arts, music and literature are incorporated daily.

Specials: Children are engaged monthly in a variety of special classes such as Art, Dance, Spanish, Sign Language and Music. They also attend Library class weekly.

Snack Time: Allergy Safe, individually packaged snacks will be provided daily. Special snacks are most welcome for birthday celebrations, but must be peanut and tree nut free,

Outdoor Play: This is an important part of our daily program! Please make sure to dress your child in appropriate clothes for outdoor play everyday.

Conferences: Parent Teacher conferences will be held in mid February. However, questions or concerns may be discussed at any time.

Parent Involvement: Parents are invited to visit our school at any time! We love when parents sign up to be a holiday party helper, mystery guest reader, or come to share with us about a special job, talent or holiday! Parent participation is highly encouraged and greatly appreciated. All parent visitors must have current volunteer clearances on file.
